

## **Confused about Hearing Aids vs. PSAPs vs. OTCs?**

### **How To Make Sound Choices**

Since the passage of the Over-the-Counter Hearing Aid Act of 2017, the Food and Drug Administration (FDA) has been working to create regulations regarding this new category of hearing device. But the regulations have not yet been written. Meanwhile, we are all seeing multi-page newspaper ads for hearing devices. How do we tell what is appropriate for our use? What about assessment, service, and on-going follow-up?

Dr. Heide of Madison, WI has owned and worked in her private practice, Audible Difference, LLC since 1991. Prior to that she was a research audiologist with Nicolet Instrument Corp. She has served on many boards, published numerous articles, and been the recipient of a number of professional honorary rewards

Zoom with us on Monday, June 28th at 6:30pm to hear audiologist, Dr. Veronica Heide explain this topic and what consumers need to know to make sound choices.

Because this meeting is open to all members of HLAA, nationwide, registration will be required. You may register anytime including just before the meeting time.
